WARNING

- Due to reduced ground clearance remove plow Mount Brackets before trail riding.
- Do not exceed 5 MPH with the blade or its brackets installed

Periodically check for wear and tightness of all bolts, nuts and fasteners. Replace or tighten as necessary

All directions referring to the right and the left are when the operator is sitting on the ATV.

Model Number 15-2540 Attaching Bracket Installation Instructions

1. Attach the front mount bracket to the left and right attaching brackets using the two 5/16" x 3/4" carriage bolts. See parts list.
2. Place two of the 5/16" x 1" carriage bolts through the spacers (black). Insert them in the holes located in the lower skidpan just under the front of the engine as shown in the picture below. Place the 1-1/2" x 3/4" bolt retainers (silver) in the channel of the skidpan located under the rear of the engine and slide to the proper hole. See the picture below. Drop the 5/16" x 1" carriage bolts through the bolt retainers.

3. With the four 5/16" x 1" carriage bolts hanging down from the bottom of the ATV, attach the left and right attaching brackets/front mount bracket assembly (from step #1) to the ATV using the nylock nuts. DO NOT TIGHTEN AT THIS TIME.

4. Slide the push tube assembly under the ATV. Lift the rear of the assembly up and secure it to the push tube attaching brackets with the two clevis pins and hairpins. Make sure that the tube frame is centered at the front of the ATV.
5. NOW tighten the four 5/16" x 1" and two 5/16" x 3/4" carriage bolts, securing the attaching bracket assembly to the ATV.

USE OF ENCLOSED EXTRA LIFT STRAP

The blade lift strap that was shipped with this kit is to be used if the Cycle Country Manual Lift or Electric Lift Kits are to be installed. The pictures below show suggested methods of installation.

ONE YEAR LIMITED WARRANTY

For the period of one year from the purchase date Cycle Country Accessories Corporation will replace for the original purchaser, free of charge, any part or parts, when found, upon examination by Cycle Country Accessories Corporation, to be defective in material, workmanship, or both.

All transportation cost incurred by the purchaser in submitting the material to Cycle Country Accessories Corporation for replacement under this warranty must be borne by the purchaser. If Cycle Country Accessories Corporation determines that the product must be returned to the factory for credit please call 1-800-841-2222 for an RMA number and shipping instructions.

The warranty does not apply to parts that have been damaged by accident, alteration, abuse, improper lubrication, normal wear, or other causes beyond Cycle Country Accessories Corporation's control. Products such as engines, electric motors, and actuators may carry an original manufacturer's warranty. Please call Cycle Country Accessories Corporation for information.

Cycle Country Accessories Corporation has been a world-renowned manufacturer of quality ATV products since 1981 and we hope you will enjoy your new Cycle Country accessory.
